PROFILES OF INTERIOR DESIGNERS & ARCHITECTS

rochebobois PARIS

Philippa Buckley, Interior Designer, Studio 44 **Saturday 12 - 5pm**
Studio 44 delivers a unique interior design service for both residential and commercial properties and also offers fit-outs for letting services as well as home makeovers. Meticulous in her work from start to finish, Philippa exhibits a particular passion for transforming spaces from a hand-picked team of professional tradesmen and craftspeople to achieve the desired look, feel and experience.

Patricia Fitzpatrick, Interior Designer, NO.8 The Living Space **Saturday 12 - 5pm**
One of Ireland's finest interior designers, Patricia has created NO.8 The Living Space to showcase her unique design and project management services for both the domestic and commercial markets. At NO.8 The Living Space, Patricia has designed and constructed a lifestyle experience over two floors to highlight the quality and desirability of her work, including her own furniture designs, as well as the professionalism and skills of her team of craftspeople.

Colette Sylvester, Interior Designer **Sunday 12 - 5pm**
As Founder of 'InteriorsDirectory.com' Colette has over 20 years experience in Interior Architecture, Design and related industries. Colette returned to Ireland from San Francisco in 2008 where she previously founded 'Design Studio', an Interior Architecture and Design Consultancy firm. Colette has a fresh and very artistic approach to design.

Rory Kelly, Interior Designer **Sunday 12 - 5pm**
Rory formally trained as an interior designer in one of Ireland's top interior design houses, and has been running his own interior design company for the past number of years. "The service I offer is a complete service - design, supply and fit. I personally oversee all projects from beginning to end."

Aurora Aleson, Interior Designer **Saturday 12 - 5pm**
Interior Designer Aurora Aleson believes that design is more about building up living environments instead of just decorating a space. Aurora works very closely with her clients and uses colour in a very confident fashion to achieve the best results.

Jim Lawler, Architect, MeltedSnow Architects **Sunday 12 - 5pm**
Jim offers a full range of architectural services from initial design to site completion and specialises in residential projects in the Dublin area. In March 2010, MSA was awarded the prestigious 'Green Residential Building Award' for an extension to a house in Dublin 8. MSA promotes contemporary, sensible, energy efficient design.

Paul Brazil, Architect **Saturday 12 - 5pm**
Stillorgan based architect, Paul Brazil, specialises in residential architecture and home redesign. By combining classic with contemporary styles Paul is one of the most highly regarded architects in Ireland.

Declan O'Donnell, Architect, ODKM Architects 7 Interior Design **Saturday 12 - 5pm**
Having studied and worked across the globe at the very cutting edge of contemporary architecture, Declan returned from International practices in London and New York to setup ODKM Architects in 2008. ODKM is a Dublin based architectural practice with an experienced team delivering quality, bespoke, residential design solutions. We believe in holistic, quality driven design.

Greg Tisdall, Architect, Studio D Architects **Sunday 12 - 5pm**
Greg Tisdall of Studio D Architects is recognised as a very creative designer who tailors his work to the specific requirements of his clients. He takes great pride in every project from the initial consultation right through to the exacting finishes at a very high standard.

BoConcept urban design

Denise O'Connor & Catherine Crowe **Saturday & Sunday 1pm - 4pm**
Optimise Design is an Architecture & Interior Design Consultancy founded in 2005 by Denise O'Connor & Catherine Crowe. Specialising in architecture and interior design, the consultancy's portfolio covers a wide range of work from domestic to commercial projects such as one off private homes, refurbishments and extensions, residential developments, hotels, retail spaces, offices, sales and marketing suites.

Jean Feeney, Interior Design Consultant **Sunday 12 - 5pm**
Peacock is an Irish interior design firm, creating unique interiors for commercial and residential clients alike. Creative Director Jean Feeney spent a number of years as director of a design house before establishing Peacock in 2005. After listening to the client and their design brief, Jean seeks to create something original and innovative on every job. Jean prides herself on completing projects on time and within budget. Please visit www.peacock.ie to see a showcase of her work.

Eily Roe, Interior Design Consultant, Eily Roe Interiors **Saturday 12 - 5pm**
Eily is an Interior Architect with expertise in space planning for residential interiors. Eily specialises in extensions and renovations and by designing better not bigger, she creates homes which fit her clients & their budgets. www.eilyroeinteriors.ie

S.O.U.L SPIRIT OF ULTIMATE LIFESTYLE

Rachel Murphy **Saturday & Sunday 12 - 5pm**
Designer Rachel Murphy is qualified in both interior design and landscape architecture and has fifteen years experience in varying fields of design, from commercial and retail projects to private interiors and gardens. She believes in a collaborative approach, spending time with the client to gain a real understanding of, not only their desires, but the real practical necessities required to each project.

Michela Mantero **Saturday & Sunday 12 - 5pm**
Italian Interior Designer based in Dublin, Michela's design ethos is to create living spaces that enhance quality of life, whether that is at work or at home. Michela's skill is in understanding an individual's brief and translating that into a design that is subtly contemporary yet with a classical feel - every time creating a unique space using quality products.

kube calligaris

Emma Webb **Saturday 24th from 12 - 3pm**
Since establishing her practice in 1995, Emma Webb has acquired a reputation for design excellence and the highest standards of professional service. She is renowned for her tasteful interiors and attention to detail, specialising in bespoke designs of both period and commercial interiors. Webb has a distinguished record of projects, residential and commercial, undertaken at home and abroad including the major refurbishment of the St. Stephens Green Hibernian Club, which she has just completed.

Mary Taylor **Saturday & Sunday 12 - 4pm each day**
Tailored Interiors offer a full interior design service that includes the design, supply and fitting of all elements within a chosen design scheme. They also offer a project management service for the refurbishment of residential and small commercial interiors and extensions. Mary Taylor, a fully qualified interior designer and member of the Interiors Association, specialises in private residential design and bespoke commercial projects. Mary designs beautiful homes that are a true reflection of a homeowner's lifestyle and needs.

Carmel O'Connor, Renowned Interior Designer **Saturday & Sunday 12 - 5pm**
