

27th March 2014

Completion of Works on the road network on Blackthorn Drive to its junction with Carmanhall Road.

The Traffic Section is pleased to announce that completion of works on the road network on Blackthorn Drive to its junction with Carmanhall Road will commence shortly. (At Flemings Site) This will provide improved pedestrian and cycle facilities and will eventually bring about the restoration of two lanes of traffic (travelling towards the Beacon Hospital).

There will be no impact on traffic flows but there will be pedestrian diversions.

Please see attached pdf.
